

YSO

The art of clarity

A GOOD FEEL FOR SHAPE AND FUNCTION. FOR MODERN AESTHETICS AND PURE ELEGANCE. A LARGE RANGE OF MATERIALS, FRONTS, COLOURS AND DESIGN DETAILS SUCH AS THE FRAMING CHROME-PLATED METAL BANDS AS A STYLISTIC MEANS. YSO THUS GIVES RISE TO A BATHROOM WORLD THAT SETS REFRESHINGLY MODERN ACCENTS WHEN IT COMES TO DETAIL.

Square meets round. Paint meets wood. Sophisticated soft shades are combined with intensive colours. Yso loves contrasts and lives versatility – and sets soothing accents in bathrooms with its harmonious, aesthetic design.

When aesthetics meet pragmatism, it gets exciting – and with Yso: beautiful. Despite its commitment to design and clear aesthetics, Yso always keeps on eye an internal values as well: with practically arranged drawers, well organised cabinet interiors or the cleverly designed grouping with glass elements and open shelves. So that everything is well stored – and looks good.

Yso elevates the washing area to a place where one spends time only too gladly. Because the ceramic bathroom sink not only offers an extra large amount of storage space at the side, but also, with its extremely thin plate, the clear contours and the framework details in chrome, has a very attractive appearance.

The big picture becomes all the nicer when the details are right. Here, Yso does everything right. With the chrome-plated applications, not only are harmonious design highlights set, but functional purposes are also fulfilled: The rail holds hand towels and the wall shelf serves as a stomping ground for decoration or practical items.

AAAAH!

Gentle light, sensual textures: one can never have enough of them in the bathroom. And the elegant wooden wind light as well as the hand towels in hammam style are exactly such good-doers ...

MOOD BRIGHTENERS

Light and fragrance in combination always provide for a pleasant feeling of relaxation. The attractive duo of glass tea light in smoke grey and sensual-smelling candles does this very job perfectly!
